Dance News

- The VGNS Annual Dance will be held on Tuesday, May 21st from 6:00 to 7:30.
- The theme this year is Candyland!
- Wear your most colorful outfits!
- Please refer to the colorful flier that was sent home for more details.
- We ask that all families contribute to bringing in a refreshment. Sign-ups will be posted on SignUp Genius.
- **Please keep in mind that we are peanut/tree nut free.**
- The committee will also be posting a sign-up for volunteers to help with set-up and clean-up. All help is greatly appreciated.

Future VGNS Students

If you would like us to send you information on future registration dates, please see the attached form for families that will be leaving for a year or two, and then returning as alumni families.

Scholastic

The Scholastic flyers you received will be the last for this year. Please think ahead to stock up for summer reading so you and your child will have a great selection of books to choose from for those lazy summer days.

Summer Birthdays

This month we will begin celebrating summer birthdays. Birthday snacks will be noted on the calendar on your child's snack day.

3's APPLE BLOSSOM

**Last Day of School
is
Tuesday, June 4th**

Colors of the
Month are

Black & Brown

Wear black and/or brown
on Thursday, May 2nd.

We find that these are the most
easily confused colors so we will
review them together to
hopefully help the children have
a better visual of the differences.

MYSTIC AQUARIUM PRESENTATIONS

On Thursday, May 9th, Mystic will
bring their traveling program to
our classrooms for two
presentations: Hermit Crab
Hideaway and Ocean
Locomotion. As part of the
presentation, there will be touch
tanks for a hands-on experience.
Cost of the program is paid for
with funds that were
raised during
the year.

NATURE INSIDE AND OUT

In May, the 3's classes will study, "From Seed to Plant". We will read storybooks about planting and growing seeds. We will sing songs about Spring and all the beautiful changes that happen. We will also experiment with growing our own plants! Get ready to see some green thumbs!

Backpacks

- Please remember to check the change of clothes in your child's backpack. Winter items need to be replaced with lighter weight clothes. Don't forget underwear and socks.
- Encourage your children to be responsible for their backpack. One way that you can help children to be responsible for the items they need for school is to put up a chart with pictures of what they need such as a backpack and their library book. Encourage children to check the chart each day as part of their routine to make sure they have everything needed before leaving the house. This encourages organization, responsibility, and independence needed for their future.

Apple Blossom Family Visit: May 30th 11:15 to 12:00

For the end of the school year, we invite the families of our 3-year old children to visit for the last 45 minutes of the day. We hope to spend this time outside enjoying an ice cold Popsicle and playing. This is an especially fun time for siblings to play on "the other side of the fence" instead of just observing. If we have rainy weather, indoor activities will be planned. Please fill the Doodle Poll so we can purchase enough popsicles for everyone.

FUTURE STUDENTS OF V.G.N.S.

Some of our families will be leaving at the end of the year with plans of returning in the future with younger siblings. Those of you who will be taking a break for a year or two, but would like to receive information regarding registration for your return, please fill out the section below. The forms will be kept on file and we will send you a registration form at the appropriate time.
