VILLAGE GREEN  
NURSERY SCHOOL

## Sing, sing a song...

Our Holiday Family Sing-a-long is fast approaching. We have very limited time to practice songs with the children. Children will be singing a mixture of both traditional holiday songs as well as songs learned at school. We will email a copy of the songs and words.

We would appreciate all efforts to practice at home.

## Holiday Gift Suggestions

Computer games, battery operated toys, toys that allow the child to just sit back and watch have become the most popular items on

Christmas wish lists. Think back to your childhood and remember your favorite board game- put that at the top of your child's wish list. Board games teach many skills: following directions, taking turns, counting, 1 to 1 correspondence, patience, sportsmanship, etc... It is also a great way for a family to spend time together. So be nostalgic this Christmas, pick up a good old fashion board game and you will be teaching your child while having family fun.

## VGNS WISH LIST

In lieu of individual gifts, the teachers have created a wish list. The list contains items for the classroom or playground. Gift cards to certain shops are also nice to have. The list is located on our website, [vgns.org](http://vgns.org). Thank you!

## Whippersnapper's

We would like to thank our families for their support of our Family Event and our board for hosting it! This was an incredibly fun night and we hope to do it again! Several families asked if this was in place our Kidcity event, it is not. We'll go to Kidcity in the spring.

Diane, Linda, Crissy, Tina, Laura, Rose, Dee, and Shannon would like to extend warm wishes to all of our families. Have a happy, healthy, and safe Holiday Season.

See you in 2019!

## THANK YOU!

Have you noticed the 2 new trees planted on the other side of the fence? We'd like to thank BB parent and board member, Bill Supinski for his hard work to get the trees donated! We now have a cherry tree and a maple to enjoy throughout the years.

## Check Backpacks

- Children put their library books and artwork in their backpacks.
- Sometimes left over snack is also placed in backpacks. It is important to take a few minutes after school to look through your child's backpack and it may help to encourage them to talk about their day.
- This is also good practice for when your child enters elementary school and information found in the backpack is your main source of communication.

## Have you read your Handbook?

A copy can be found on our website.

The handbook explains inclement weather policies

## Family Sing-Along

Tuesday, December 18

We will begin our morning at our regular time in the classroom. Parents may go directly to the Meetinghouse (church). The teachers will walk down with the children.

Class time is shortened that day as we are ONLY gathering for the sing-along and refreshments.

**Families are invited.** We ask that each child have at least one loved one to share the sing-along with. We will be singing some favorite songs learned in school, as well as traditional holiday songs.

Following the sing-along, we will enjoy treats in our classroom. **Please sign-up to bring a treat to share- an email will be sent home through "Sign-Up Genius".**

Snow date is Thursday, December 20<sup>th</sup>.
