Betty Botter

Betty Botter bought some butter
 "But", she said, "this butter's bitter.
 If I put it in my batter,
 It will make my batter bitter.
 But a bit of better butter
 Would make my batter better."
 So it was better Betty Botter
 Bought a bit of better butter.

She Sells Seashells

She sells seashells
 By the sea shore
 Some are red while others are blue
 She sells seashells
 By the sea shore
 Now isn't that a silly thing to do!

ANIMALS/INSECTS

Animal Crackers In My Soup

Animal crackers in my soup
 Monkeys and rabbits loop the loop
 Gosh oh gee but I have fun
 Swallowin' animals one by one.

In every bowl of soup I see
 Lions and tigers watching me
 I make 'em jump right thru a hoop
 Those animal crackers in my soup.

When they're inside me
 Where it's dark
 I walk around like Noah's ark
 I stuff my tummy like a goop
 With animal crackers in my soup!

 And those five little seeds- they started to sprout.

They sat by my side while the storm clouds roll
When I wake up in the morning the sun is going to shine

The sun is shining through the big maple tree
The rain on my window is dripping no more
Till the next big storm when it rains and pours.

Frosty The Snowman

Frosty the snowman was a jolly happy soul
With a corn cob pipe and a button nose and
Two eyes made out of coal
Frosty the snowman is a fairy tale they say
He was made of snow but the children know
How he came to life one day
There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance around.
Oh Frosty the snowman was alive as he could be
And the children say he could laugh and play
Just the same as you and me.

Frosty the snowman knew the sun was hot that
day
So he said let's run and we'll have some fun

Now before I melt away
Down to the village with a broomstick in his hand
Running here and there all around the square
Sayin' catch me if you can
He led them down the streets of town right to the
traffic cop
And he only paused a moment when he heard
him holler STOP!
For frosty the snowman had to hurry on his way
But he waved goodbye saying don't you cry
I'll be back again someday!

Thumpety thump thump, thumpety thump
Look at Frosty go
Thumpety thump thump, thumpety thump
Over the hills of snow!
